

About AMC Engineering College

AMC Engineering College is NAAC accredited B++ Institute ranked consistently among top colleges under VTU. Founded in 1999 by Dr.K.R.Paramahamsa, an eminent entrepreneur, philanthropist & educationist with over 3 Decades of Experience in Striving to be a leader in imparting value based technical education and research for the benefit of society through industry institute interface.

Department of Civil Engineering

Located in a serene pollution free 52 acres Campus in the vicinity of Bannerghatta National Park is focused on delivering education experience equipping for the life and career. The professional bodies of national repute viz., Indian Concrete Institute ICI, Association of Consulting Civil Engineers India ACCE- (I) & Indian Green Building Council IGBC have started the Student Chapters, Student Mentor Programme (SMP) leading to internships and possible job opportunities in Civil Engineering on the anvil.

About Faculty Development Programme

FDP focuses on the nuances of analysis, design and detailing of structural forms using the state of the art CYPE software in accordance with the recent changes in VTU CBCS Syllabus. This will satisfy the needs of Software Application laboratory along with a rendition on MS Project. Hands on training would be imparted which will further motivate the higher aspirations for complicated high rise structures. MS project is need of the hour and is also incorporated in the syllabus which will enhance job opportunities for selection by MNC's.
