

## MOU between AMCEC and BITES (Board for IT Education Standards)

The **Board for IT Education Standards(BITES)** is an autonomous body and a non-profit society promoted by the Government of Karnataka, in association with educational institutions and IT Industries in Karnataka, in order to enhance the quality of IT education and help build quality manpower for the IT industry. Set up in June 2000, BITES is an ISO 9001:2015 certified organization.

BITES promotes, encourages, and deep dives into industry-academia equations on a number of platforms. It is this equation which will differentiate winners from losers. This is more so because of the exponential changes and transformations taking place in the tech space. Industry relevance of education is the only mantra for survival in the TED-Age. BITES is the quintessential bridge to help in bringing together academia-industry and in setting benchmarks, in line with industry expectations. BITES is the way forward and partnering with it is imperative for every teaching institute, benefiting both the faculty and the student community.

**AMC Engineering College** is now an Institutional Member of Board for IT Education Standards (BITES) from 14<sup>th</sup> March 2019.

**Dr. K. N. B. Murthy, Chairman, BITES with Team AMCEC headed by Dr. T N Sreenivasa, CEO, AMC Educational Institutions.**
